CHALET

Start your night in the awe-inspiring Northern Lights area. The lighting effect transports you to a winter wonderland, as guests take in the classic Alpine setting. Why not head on over to our reception bar to top up your drink ready for dinner to be called and for guests to move down into the Lodge itself?

Turn the corner and witness the beautiful design of the entrance to the Lodge as guests enjoy the warming lighting and cosy set up. Comfy chairs with a view of the dance floor and main bar, make this space a relaxing option to return to later in the evening.

MAIN BAR

As guests mosey on down the stairs and descend further into the Lodge, they will see the traditional design with the gingham draped tables, timber panelled walls, vintage skis and stag heads. You will be transported to a Christmas paradise.

A stunning bar at the back of the room will service all your needs throughout the evening, easily accessible from both the dining tables and the dance floor.

DINING AREA

Make your way into the Christmas Lodge, passing through the traditional chalet exterior and descend into your very own authentic alpine hunting lodge. Settle down at the gingham draped tables, taking in the vintage skis and stag heads to transport you to the spellbinding magic of the forest in your very own mountain hideaway.

Get your taste buds tingling as you enjoy a three-course seated meal or our bowl food menu. Then let the party start as you dance the night away with our live Lodge band and professional DJ and disco until midnight. Make your way back to the Northern Lights to ride the rodeo reindeer or try our chocolate fountain.
