THE WONDROUS WONDERLAND

We invite you to a party. A Wondrous kind of party. Come and join us on a journey through this magical vortex to a brand-new world of the wonderful and weird. It's like nothing you know so jump on in.

Now let us tell you about this party. You know you haven't been before but yet it's oh so familiar. Follow the signs through the tunnel, you'll know the way for sure. It's not quite a rabbit hole....but then again maybe it is.

You've arrived, well done. We've been waiting for you, it's time for tea after all. Now you're here you can see, it's all you'd want it to be. This is a tea party like no other, your moment to revel in the curiosity of your surroundings. Everywhere you look you'll see there's colour, pattern, texture. Nothing matches but yet everything does. Oddly. Everything seems unusual but of course totally normal, in a way.

Things that usually small are big whilst other things seem totally unlike they're meant to be. It's fantastically odd, slightly topsy-turvy in fact and there's a delightful dollop of wonderful wackiness.

There's all we need for a party – the bubbliest bubbles and the tastiest treats. The light plays around the space whilst musical notes fill the air and carry dancing feet for hours. This secret clearing is dreamlike. My dear, you'll never want to leave.
