## VENUE HIRE QUOTATION CHRISTMAS

### SOANE HALL;

Lighting Design, Dance Floor Lighting & Effects

- Uplighting to the perimeter of the room, the pillars and altar—emphasising the architectural features in the colour of your choice
- The pattern of your choice will fill the six archways
- Pinspotting to table centres and features
- Colour changing fixtures to the altar for dancing
- Intelligent moving dance floor lights surrounding the altar—creating a perfect atmosphere for dancing

## SOANE HALL;

### White Speech & Background Music PA System

- Subtle and discreet white D&B speaker system provides excellent speech and background music amplification
- A wireless microphone is provided for speeches

Please note: This PA system can be upgraded to support a live band; a full technical rider is required to quote for this.

### DJ PA System

- DJ is included based on a 4hr set with to finish by midnight. Extended sets or change in times will be subject to additional fees. Please enquire with your account manager.
- Front of house DJ PA with all necessary kit for a CD DJ will also be provided, so if the client provides their own DJ, they will only need to bring their music
- A smart booth will be supplied to surround the DJ

### Technician

One technician is included in your package. They will make colour or gobo changes, and program any lighting style request. They will make any changes to the DJ positioning, to ensure the speech positioning is set, and run through sound checks with the client beforehand.

The technician is on site from 1500-0100 based on guest timings from 1900-0000. Change to guest timings may incur additional time for the technician. To extend their hours to accommodate your setup schedule, please enquire with your account manager.
