

THE FOUNTAIN ROOM PRESENTS

# SPEAKEASY

DISCRETION IS PARAMOUNT DURING PROHIBITION.

ADMITTANCE BY PASSWORD ONLY.

## IT'S CHRISTMAS IN THE ROARING TWENTIES - THE ERA OF PROHIBITION.

The bars are closed and underground establishments have sprung up all over town.

Society's most glamorous pleasure-seekers are ready to tip their top hats, shake out their tassels and get a little 'loosey- goosey'.

Hidden in the streets of Bloomsbury and away from the beady eye of the law, the Fountain Room invites you into its secret world of 1920's opulence and glamour. Presenting - the Speakeasy Soiree, the most exciting 1920's Christmas party package of 2023.

# ABOUT THE PARTY

Located in Bloomsbury just a 5 minute walk from Russell Square station. This beautiful venue can host up to 350 guests seated and up to 400 standing.

On arrival your guests will be lead down our stary night walk way into our secret speakeasy where Flappers and bubbles await. What the evening ahead holds is in your hands.

As dinner is called, a beautiful main room is revealed. Wander into the stunning scenery as you sit and enjoy a three-course seated dinner and let the atmospheric lighting transport you whilst you enjoy fantastic entertainment.

A mix of popular chart music and Christmas classics.

# AWESOME GOING GREEN

## One tree Planted

Awesome guests contribute to the environment by attending an Awesome event as we work with One tree planted. Restoring forests, creating habitats for biodiversity, and making a positive social impact around the world.

## Reducing our Footprint

We are incredibly proud to announce our investment in a new £250,000 electrical sub-station installed in Corams Fields in 2021 to reduce our carbon emissions by 95%.

## Reuse, Recycle

We use recyclable materials where we can throughout our venue - one example being recycling our carpets for conversion into toothbrushes, hairbrushes and other plastic and recyclable products.

## Hunger to Change

Over the past few years, following Government announcements, attendances have sometimes decreased.

Turning a negative into a positive, this provided us the opportunity to donate the unused food to various charities and food banks such as "Crisis at Christmas".
