What to expect from our Ice Palace Christmas party nights...

About the venue

Join us this Christmas for a sophisticated evening at the beautiful Hilton Paddington hotel. This 19th century 4 star venue is perfectly situated at the uber accessible Paddington train station, just around the corner from Marble Arch and Oxford Street. As well as the mainline train connections, you will also find the Elizabeth, Circle and District, and Hammersmith and City underground for added convenience. For party-goers looking for an overnight stay the hotel offers over 400 bedrooms.

About the entertainment

Casino tables – Blackjack and roulette tables are included in the ticket price and are a great way to compete against your colleagues. The “gambling” is only for fun, with paper money and casino chips provided.

Photo booth – Your ticket price includes unlimited trips to the photo booth. Each visit includes double prints for guests to take home as a souvenir.

After dinner dancing with our live party band – After dinner, despite all of the other entertainment, you’ll struggle to leave the dance floor as our awesome party band guys churn out the party hits. The playlist will contain something for everyone with a variety of popular classics from across the decades.

Glitter face painters – The perfect addition to the glitz and glam of a Hollywood night. Our face painters will be open after dinner with their sophisticated, sparkly designs. Glitter beard anyone?
