THE LUCKY CLUB

Apres Ski

Make your next event unforgettable by choosing The Lucky Club Camden this Autumn and Winter.

Hidden away in the North Yard of London's iconic Camden Market, our photo-ready decor reflects the seasons, transforming from a tropical haven during Spring & Summer into a cosy retreat in Autumn and Winter.

This year, The Lucky Club has been transformed into an Apres Ski inspired lodge, complete with plush faux furs, twinkling lights, a warming fireplace, skis and a gondola fresh from the Alps - perfect for photo opportunities to help you create lasting memories.

The Lucky Club is more than a bar, it's an experience.

A large, shimmering silver disco ball is the central focus, hanging from a tree branch. The ball is covered in small, reflective tiles that catch the light, creating a sparkling effect. It is surrounded by lush green foliage and warm, glowing lights, suggesting a festive holiday atmosphere. The background is dark, making the bright lights and the disco ball stand out.

CHRISTMAS PARTIES

The Lucky Club is the perfect place to hold large scale Christmas parties and festive gatherings this December. The venue will be given a very merry makeover with evergreen trees, twinkling lights, baubles and forest inspired figurines to dazzle guests.

Food and drink menus will be given a tasteful twist in keeping with the festivities from late November
