Enjoy a Cuban in our private garden.

The heady scent of Havana cigars and dark rum lures you into the hidden garden, where the gorgeous guests, radiant in their 1920s finery, enjoy a short respite from whirling around the dancefloor.

Hidden away from the prying eyes of the G-men you will find our rum and cigar bar, where you can speak to our aficionado to find out more about our selection. Try a 23-year-old Guatemalan rum with a Romeo y Julieta Cuban cigar for an exquisite flavour harmony that is the ultimate 1920s decadence.

# CHAMPAGNE CHARLIE

The Candlelight Club's sensational resident compère will take you by the hand and lead you into a decadent underground world of 1920s cabaret, a delightful mixture of American speakeasy, British music hall, Weimar Berlin and Parisian follies. With cheeky songs, comedic patter and a wardrobe of astounding costumes, he combines waspish bedevilment with a warmth that leaves everyone feeling included. With the Lord of Cabaret Misrule presiding, you'll be screaming for more Champagne all night long!

# 1920s Jazz Band

Nothing beats the foot-stomping rhythms of ragtime and swing, born in the bars and bordellos of New Orleans and Chicago, or the power of a live brass section. Our speakeasy bands are guaranteed to keep your feet moving all night.
